Hi Dante,

I have us down for two separate Yerington calls today at 4 pm.

The Wabuska Drain call for EPA, NDEP, consultants and tribe.

The general RPM call with EPA, NDEP, and ARC.

I believe the RPM call change occurred first.

Can you clarify?

Thanks,

Jeryl

Jack, we're using your conference number, right?

I believe Dante is the meeting organizer.

Dante, do you want to send out a revised calendar invite?

Thanks,

Hi gents,

Looks like my last name might have been misspelled on the 1:22pm email and earlier. I just received Jack's 1:30pm email too, so you both should have the correct one now.

Chris,

When I replied to Jeryl's email below I got an error message saying that it didn't go through to you.

Changing the routine monthly call to 11/9 at 4pm will work for my schedule if it works for everyone else.

Dante had mentioned a desire for a site visit on the 9th. I've asked Chuck Zimmerman to meet you and show you around.

Thanks,

Hi guys,

Can we change our monthly call again, from the current day/time: Thursday, 11/12 at 10 am, to: Monday, 11/9 at 4 pm?

Also, Jack, can you make arrangements with Ron Hyatt or someone else for a brief site visit/meeting next Monday, 11/9, from 1-3 pm?

This is a site visit that you may have already heard of, but I didn't see formal arrangements made, so I'm just following up on this.

EPA, BLM and NDEP are planning on this site visit, but just recently nailed down the date and time.

Thanks,

Jeryl
