- Meeting w/ Lisa McKinley 11/6/2013
-- asked for reassignment to one or another detail - stress of the office
- doesn't feel there is any basis for the warning letter and LOR
- brought into OCR for MSI and Title VII : not allowed to do this work.
- Lisa not allowed to take Title VII training :
  - Atlanta
  - Video Conference
-- Now asked to put on training in Title VII
- feels like there is discrimination in OCR
-- office example = why was she not moved SEPM SPAC and laptop.
- Will be ok with LOR being in file for some period.
