Hi Jack,

Since Dave prefers waiting on an OU-4 discussion, I think a 2-hr call will suffice, and I am fine with the 23rd.
And, I think we should consider some of the potential topics as agency-ARC topics, and unnecessary for the tribes to participate in. We could schedule a call with just us on the 18th, then maybe have a call again on the 23rd that could include the tribes.

Dante, what do you think, and which do you think works best, call(s) or meeting, for which topics?

Thanks,
Jeryl

Dante and Jeryl,

Following up on our conversation yesterday, I can be available for a call or meeting on October 23rd. October 18th will be more problematic for a meeting but I should be able to accommodate a call. After thinking about the agenda items we discussed yesterday, I do believe a 2-hour call would provide adequate time to discuss the topics as I understand them. Please let me know soon if the agencies feel that travel and meeting is absolutely required so that my team and I can make necessary arrangements.

Thanks,

-jack
