Letter to Dante Rodriguez Re OU7 Sampling Results and YPT QAPP.pdf
ARC Comments on YPT QAPP.pdf

Dante,
Atlantic Richfield has reviewed the Quality Assurance Project Plan for Wabuska Drain that was prepared by the Yerington Paiute Tribe. Attached is our response letter and list of comments. We appreciate the opportunity to review this document and look forward to discussing it further. If other work plans are prepared relating to OU-7, we would appreciate having the chance to review them as well.
