Dave,
I'm checking on status of the OU-4 document and will propose dates from there. More to come soon.

Subject: Checking in on dates for Anaconda OU1 OU4a Technical Mtg

Dear Jack,
Just checking in to see if you are able to identify possible dates when your team can participate in a Technical Stakeholders Meeting on OU1 (plume stability) and OU4a (data evaluation report - pending receipt).
I propose roughly a half day for each topic but am open to refining that.
Ideally we would like to receive the OU4a DER a couple of weeks in advance of a meeting.
Thanks,
Dave
