Dear Greg and colleagues,

Thank you for the attached deferral correspondence. I'm optimistic that everyone's commitment to the ongoing discussions regarding our draft agreements will reach a mutually satisfactory conclusion. Your leadership has been a critical factor in the working relationship and progress to date. Yes, let's work together on the communications pieces, we will also engage our HQ colleagues given the Administrator and Ken's continuing interest in this matter.

I hope to see you at the Lake Tahoe Summit later this month,

Kind regards,

Alexis

Subject: FW: Anaconda Mine Site - NDEP Deferral Request

Ken and Alexis,

Please find attached NDEP's request for NPL Deferral at the Anaconda Mine Site in Lyon County, NV.

Feel free to reach out to us if you have any questions.

As Nevada discussed with EPA Region 9 on July 24, we anticipate that EPA and NDEP will need to develop some joint messages related to NPL listing decision for the Anaconda Mine Site. We should be in touch soon on the timing and content of that message.

Thank you,

Greg
