Dear Pam, Brad and Greg,

EPA Administrator Pruitt would like to arrange an Anaconda deferral ceremony/event at the site with you on Monday, February 5. Would this be convenient for you and the Governor? I suggest we'd have a Nevada/EPA signing of the deferral agreement, and an EPA/BP signing of the cost-reimbursement agreement, although other documents may also be ready for signature. If this works for you, shall we talk re next steps?
Kind regards,

Alexis
