National Priorities List Deferral Agreement Anaconda Lyon Co NV.pdf

Gentlemen,

Attached please find a scan of the deferral agreement signed yesterday. This email contains the nine-page document signed by the Governor and the Administrator, it does not contain the attachments (fourth of which is the NV/ARC order signed yesterday). If you'd like me to scan and attach the other portions of the deferral package referenced in the agreement, please reply. If NV wants to scan and send the order signed yesterday, we'd be glad to have a copy. We'll also scan the cost agreement signed by Enrique and Patricia, and route that to you tomorrow.

Congratulations on bringing this phase of the project to a successful conclusion. It was delightful to see all of you yesterday.

With thanks,

Alexis
