Hi All,

Please see below. Looks like this is a press inquiry and it only got to Jim. I wanted to make sure OCPA, FFRRO and the OSTRI press folks are aware and looped in given Nick Falvo needs it ASAP. Can we route this back up through the IO as we normally would and I and Silvina will take it from there to get back to Nick Falvo.

Thanks!

Nick

Jim –

A TV network that covered the Administrator's SF rollout is following up on the story. Could I get short bullet points on the status/updates on the following:

Anaconda Mine

Leviathan Mine, California

Williams Pipe Line Co. Disposal Pit, South Dakota

Adrian Municipal Well Field, Minnesota

Hoosick Falls, New York

Bautsch-Gray Mine, Illinois

And in the Anchorage, Alaska area: Alaska Railroad (Anchorage Yard), Elmendorf AFB, Ft. Richardson, and Standard Steel and Metal Salvage Yard.

Timeline to get this back is ASAP. We don't need anything in depth, just a short snippet/bullet point.

Thanks
