Subject: FDA-EPA t-con next Tuesday

Hi Bob, Mike – I'd like to add GFI 236/Oxitec to the agenda for our next t-con. We can exchange takeaways from mtg at BARDA last week, plus we'd like to give you an update from our briefing for Dr. Gottlieb that occurred earlier today.

Leslie plans to join next Tuesday's t-con. Just FYI in case you want to inform or check on Rick's availability.

Please let us know if we should discuss any other items. (Mouse, diamondback moth, and Agrospheres are on my running list but I will defer to you on when we should discuss those.)

Thanks!
Ritu
