Ritu,

FYI – Possible meeting dates we received from Oxitec. My understanding is that EPA and FDA will have a joint meeting with Oxitec to discuss additional details and EPA-FDA intersects.

Hello Mike,

Many thanks to you and the team for taking the time to speak with us on Friday. We greatly appreciate the proactive way that BPPD is approaching this matter.

Camilla and Tricia have consulted their calendars and both are available on either 06 or 07 March. Please let me know if either of those days will work for BPPD.

Best,

Keith

Mike,

Thanks for your message.

We'd be pleased to have a follow-up call with you tomorrow. Participants would be Jack Bobo and myself. Would either 10:00 – 11:00 am, or after 4:00 pm work?

Thanks,

Keith
