Subject: Oxitec/Intrexon Pre-Meeting Telecon (USG Only); Thurs May 11, Either 1-2pm ET or 2-3pm ET...

Hi All,

Hope that everyone is doing great. Due to unavailability of several for the potential Mon May 15 pre-meeting date option provided in an earlier email to the group, we have decided to hold the pre-meeting telecon on the first date option of Thurs May 11 (this pre-call has been requested by several so that we can align on the USG front/overall position before meeting with Oxitec/Intrexon on May 17). We are looking at two possible time slot options, either 1-2pm ET or 2-3pm ET. Based on the quick response by as many as have a moment to respond now as to whether you are NOT available for one/both time slots, I will pick the best overall availability and send out the calendar invite by COB today. Thanks for a quick reply if you can! Standing by.

Best,
John
