May 2014

Monthly Min pH	9.7	& Date	5/1/14	Total Monthly Flow (gallons)	24292
Monthly Max pH	11.4	& Date	5/12/14	Maximum Daily Flow	1677 & Date 5/6/14

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. I further certify that all data requiring a laboratory analysis were analyzed by a Washington State Department of Ecology accredited laboratory for each parameter tested.

Signature of Principal Executive or Authorized Agent

Date 6/5/14

PLEASE CIRCLE ALL PERMIT VIOLATIONS

Due Date: Monthly report is due by the 15th of each month.

TTO COMPLIANCE CERTIFICATION STATEMENT

FORM 2

TTO certification statement for the operation located at:

Alaskan Copper Works - 6th Ave.
3200 6th Avenue S.
Seattle, WA 98134

Permit No. 7238-05

Based on my inquiry of the person or persons directly responsible for managing compliance with the permit limitation or pretreatment standard for total toxic organics (TTO), I certify that to the best of my knowledge and belief, no dumping of concentrated toxic organics into the wastewaters has occurred since filing of the last discharge monitoring report. I further certify that this facility is implementing the toxic organic management plan submitted to the permitting (or control) authority.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that a qualified personnel properly gathers and evaluates the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

(PLEASE COMPLETE SECTION 1 OR 2 BELOW)

1. The toxic organic management plan for the facility is the same as that submitted as part of the "90-Day Report" or subsequent correspondence with King County.
