Sorry Elise – we had a some trouble with the file because it was so large. We had to place it on the O drive. See if you can access by cutting and pasting this link in your browser.

Hi Ardra!

None of us in OGC can open the Watergen CRADA link that Riki Lax sent. David Fatouhi and Elise Packard want a PDF copy. I'm teleworking unexpectedly today, and can't scan and send the hard copy I received. Would you please send David and Elise a PDF file of the CRADA and the SOW? And the NDA, if you don't mind?

Thank you so much! I'm sorry to dump this on you. – Laura
