It looks like IGMS still has Molly as the project officer. Erica, can you get with Danielle to do a P.O. change on the grant? I look in IGMS to get the current P.O. to email. Thanks for your help!

Good Morning, All! Marcelo, the above payment came through ASAP today which is a little larger than your normal draw. I am just checking in to ensure you have receipts for the above draw and understand the cash rules regarding drawing in advance (see verbiage in red below my signature.) Can you let us know?

Occasionally, you might receive emails like this from me so I can ensure our recipients are aware of the cash rules! Have a great week and thank you for your help!
