Erica,

These are the responsive documents to your request. It sounds like we need to better or more narrowly define elements of the internship and volunteer program.

Yes 2017 was the first time we paid for the intern program though we've done a considerable amount of work with LMU interns and volunteers over the years, a breakdown of that is attached.

Best,

Tom

Hi Tom,

A few more questions came up in talking to folks here after I got off the phone with you.

1. Are you planning to pay for additional LMU/CRI interns with 320 funds this year (FY 2018)? I didn't see it specifically called out in your work plan. Task 3.2b speaks to coordinate the internship and volunteer program, but it's broader than CRI.

2. Was 2017 the first time TBF supported LMU summer interns w/ 320 funds? Vs it being an annual line item.

3.Can you send me your CRI file?

Thanks again.

Best,

Erica
