Hi Erica - sure, happy to help.

Tom is diving today and at the West Coast NEP meeting Wed/Th, but maybe if you give his cell a ring sometime? CC'ing Heather per his schedule...

There are a few things I can fix quickly on the doc and give you a call mid-day today around lunch, if that's ok? Some of the acreages and numbers are off a bit. I'm in meetings until noon today.

Thanks!

Karina Johnston

Director of Watershed Programs

The Bay Foundation

Hi Tom and Karina,

I'm pulling together a one page overview of your program in advance of our briefing next week with Alexis to prep her for the November 9 event. Do either you have time to go over this with me tomorrow? Thanks in advance.

Best,

Erica
