Hi Tom and Guangyu,

I'm hoping we can find a time to check in next week on the following:

1. BRP revision
2. FY 2018 workplan
3. Guangyu's new role

My schedule is open the afternoon of Thursday, July 13 and most of Friday, July 14.

What works for you?

Have a good weekend.

Best,

Erica

Erica,

WOW1 You are such a good researcher! Thank you for reminding us that we actually have a long history and have done quite a lot of work in the socio-economic field, which we should

have made TAC members be more aware yesterday (Tom did mentioned the Coastal Conservancy funded data gaps analysis as I recall).

Also, thank you again for participating in the meeting. Sorry for not letting know for sure until the last minute. I hope you find the meeting's discussion interesting and informative.

Tom and Guangyu,

These could be of use in socio-econ discussions.
