Sounds good. If we could talk at 2:45 PM that would work better for me. I have to leave at about 3:50 PM.

Thanks, Erica! Tom just confirmed that our plan is good.

Erica, Marcelo and I will talk on Tuesday afternoon (3pm?) re: FY19 Work Plan edits, and I will follow up with Tom (or Erica will) on Wednesday if there is anything substantial that needs to be discussed.

This will give us enough time to recirculate to staff, get their responses to questions/comments, and incorporate before the Feb 9 deadline.

Here is the conference line number to include on your calendar:

Phone: (712) 775-7031

Passcode: 682-783-837 #

Thanks all!!

Karina, That works for me if it's ok w/ Tom.

I will add that my schedule opened up on Friday, Feb 2. Would that work for everyone, or is it too late?

Erica – are you available for a call with Marcelo and I at 2:45pm on Tuesday? Then you or I could follow up with Tom if needed, and I will follow up with other staff as needed?

Any of those days and times work for me.

I strongly agree that we should work on this the sooner the better, while keeping in mind that only the agenda needs to be posted by **Feb 2nd**. All other staff reports and relevant docs are normally sent/posted the week before the meeting, in this case by **Feb 9th**.

Hi all – as Guangyu will need to post to the GB by Friday, I am suggesting that Wed/Th might be too late to be able to incorporate any substantive comments, especially as I'll likely need to send individual comments/questions around to the staff author for that section and wait for a response before inclusion.

So, I'd like to propose Tuesday at 2:45 or 3pm for me (I teach from 1-2:30) and suggest that maybe Tom could chat with you after on Wed, if needed?

Marcelo – are you available at any of the times?

Hope to have the main draft to you by the end of today, Erica!

Tom is still reviewing the outcomes table appendix and our "completed programs and projects" appendix, so I will send those to you (hopefully) tomorrow.

I've got time on Thursday between 10-12 on Thursday to chat if you want about WAC or work plan or anything?

Hope you're doing well!

Excellent. Thanks, Karina.

When you think I'll be able to see a draft of the workplan? I would like to have an

opportunity to review the draft and go through it with you before it goes out to the Governing Board.

On a different note, how did the Watershed Advisory Council meeting go? Do you have a few minutes today or Thursday to talk on the phone?

Great, thanks for the reminder, Erica! Yes, this had occurred to me, and I was starting to think about it. I've already started compiling relevant files, etc.

I'll make sure it's noted in our work plan under the organizational management area.

Tom and Karina,

I just spoke to Vince and he confirmed that the NEP program evaluation will be in 2019. There is no specific date is set, but we would probably have a kick-off call in December 2018.

I bring this up b/c it would be good to include a placeholder in your FY 2019 workplan.

Best,

Erica
