WAC Meeting 11-08-2017 Notice.pdf

Dear WAC members and Interested Parties,

Attached please find the agenda for the SMBRC Watershed Advisory Council meeting, which will be held on **Wednesday, November 8, 2017 beginning at 1:30** pm at LA City Council Member Mike Bonin's Field Office in Westchester (**Westchester Community Room, 7166 West Manchester Ave., Los Angeles, CA 90045**).

The primary purpose of this meeting is to introduce and discuss the recently-initiated year-long Santa Monica Bay Restoration Plan (BRP) revision process, and solicit stakeholder input. The BRP is the strategic plan of the Santa Monica Bay National Estuary Program (SMBNEP). The BRP revision process will be jointly supported by The Bay Foundation (TBF) and SMBRC through a public and iterative process with active participation from a wide range of stakeholders. The upcoming meeting will be the first of a series of WAC meetings scheduled to engage members throughout the revision process.

To make the workshop more informative, focused, and productive, we would like to encourage members to take a look at our current BRP - The Bay Restoration Plan - 2013 Update, which can be downloaded HERE or at this web address: http://www.smbrc.ca.gov/about_us/smbr_plan/docs/smbrplan2013_adopted.pdf. We also encourage members and interested parties to complete the brief on-line survey to provide your input and feedback prior to the meeting. You can access the survey through the web link below.
