Hello Deirdre and Chris,

I wanted to let you know that I am the point of contact for OMB for the EO 12866 review for the EPA proposed rule entitled, "Federal Implementation Plan for Oil and Natural Gas Production Facilities on the Uintah and Ouray Indian Reservation in Utah" (RIN 2008-AA02).

Also, we get requests for meetings under our EO 12866 by external stakeholders. Therefore, to ensure that EPA is invited to these meetings, can you please provide a list of people that should be invited and their email addresses? We provide a teleconference so that those who cannot attend in person can call in.

Thank you very much.
