WAC Meeting 01-17-18 Notice.pdf

Dear WAC Members and Interested Parties,

Attached please find the agenda for the SMBRC Watershed Advisory Council meeting, which will be held on **Wednesday, January 17, 2018 beginning at 1:30 pm** at LA City Council Member Mike Bonin's Field Office in Westchester (Westchester Community Room, **7166 West Manchester Ave., Los Angeles, CA 90045**).

The purpose of this meeting is to further solicit stakeholder input on the Bay Restoration Plan (BRP) revision in a workshop format similar to the workshop conducted during the last WAC meeting on November 8, 2017. This upcoming meeting will be the second of a series of WAC meetings scheduled to engage members throughout the BRP revision process. At this workshop, we will start to move from Phase 1 (priority setting) to Phase 2 (action development) and seek input from WAC members on what specific actions (programs and projects) should be undertaken to advance the three BRP priority areas (water quality, natural resources, and benefits and values to humans) in the context of climate change.

Please RSVP your attendance to this meeting by replying to this email or by contacting Dr. Guangyu Wang at Guangyu.Wang@waterboards.ca.gov or 213-576-6639.

Thank you.
