Subject: FW: CRI release draft

Nahal got a draft press release from The Bay Foundation and is asking if we want to push for an Alexis quote. Their communication director asked us to let them know if we feel strongly about adding one. I don't think we do, and it would be a little challenging to fit one in, but let me know as soon as you can if you think we should try.

Subject: FW: CRI release draft

Hi Paul,

Attached is the release for the Nov. 9 event.

This is very CRI focused. And without a strong tie to the facility, I'm not sure if we should push for an Alexis Quote.

Take a look at the draft and let me know if you have any thoughts.

Thanks,

Nahal

Subject: CRI release draft

Hello Kristin and Nahal,

Please meet:

Kristin - Nahal is Public Affairs Specialist, US EPA, Los Angeles.

Nahal - Kristin is Asst. Dir., Communications & Media Relations, LMU

Attached is the release based on Tom's edits. Please provide any feedback, please everyone track.

Nahal - we are guessing that Alexis probably didn't plan to make a public statement in the release, so I didn't insert that in there, but if you all feel strongly to do so, please do let us know!

Kristin - it would be great to have a quote from Dr. Choe, and obviously one is needed from Dr. Landry (Tom suggested some topics/content for his quote to help fill out the CRI description).

Kristin - I believe now you were going to work of this and the schedule you have to do the Media Alert? When might you have a draft for that? And what date did we plan for that?

Thanks,

Julie Du Brow

Communications Director
