Dear Enviromental Protection Agency

When I was 13 or 14 1980 or 1982 I got a workers permit to work after school for a Government program called
I worked 2 hours after school cleaning up then in the summer I worked 6 hours a day. In one summer that I worked 80 or 81 some company come in to remove the Asbestos from the ceiling and we were allowed to walk threw the halls and rooms they were working in, geting very dusty white on skin. We were not provided with any safe knowledge or safety equipment to kee us from comeing in contact or breathing this harmful Asbest
I'm now (b) (6) - Privacy and no one will tell m in prison whats wrong with me. I beleave this Asbestos has effected me very bad. (b) (6) - Privacy I beleave from this. I do not smoke. Who will help me with this issue or case. Everything is easy to verify.
I worked for Graham Middle School. on Pine st Graham N.C. 27253. The Alamance County School systems central office can supply all information. I need your help in this I see this on TV to contact a Attorney but I should not need one if yall will help me.

Sincerely Submitted
