Hi Shirlita, we are on the 2nd floor of the North building - a little hard to find because the floors don't connect all the way. So, easiest way to find us is to go the 3rd floor of the North building and walk around it until you find elevators marked 21 and 22. Take those elevators down to floor 2 and our office is right there in front of the elevators - Room 2524. Thanks!

History : I sent an email 5/4/15 about brown water issues with the city. There is bacteria, high iron & High chlorine in the water. I have been using bottled water for 5 months, but still have to shower & wash clothes in brown water. I have contacted DEP, Governor, mayor, city employees, etc. to fix the issues which has not been done. I am disabled & brown water issues are causing more health issues which I was hospitalized for 6/22-26/15. Please help me get clean water. It affects 17 townhouse owners too not just me.
