Subject: Updated Council Session run of show and annotated agenda

Hello Everyone-

Attached, to make sure everyone is current, are the latest versions of the Run of Show (this covers all events, including private Ministerial events) and Council Annotated Agenda (Council agenda available to delegations (Government, JPAC, NAC/GAC, TEKEG, Secretariat).

Updates to the Run of Show (in yellow highlight) reflect:
-- minor corrections on timing of events
-- update in naming of the Innovation Hub and National Weather Center Events
-- update on press reflecting advice from AO

Regards,

Luis Troche
