8th Annual Biofuels Tour Participant Evaluation.docx

Sorry for the 2nd email, but I'm still a bit tired, so I forgot one thing.

Attached is a copy of the evaluation form. If you did not turn one in already, please consider doing so in the next week. We do sincerely value the feedback. And be honest – we want to keep improving the Tour so it meets the needs of the attendees.

Thanks!

Subject: THANKS for coming!!!

On behalf of the entire IRFA team and the Tour sponsors, thanks to everyone for coming on the Biofuels Tour. We really enjoyed getting to know you and sharing a little bit of Iowa with you.

For congressional staff, we will send you the documents you need for post-travel disclosures early next week. Do NOT submit on your own using the pre-travel documents. Those documents were modified during discussions with House and Senate Ethics – we were allowed to "fix" them directly with Ethics and not have to send them to all of you for re-submittal. But the "final" versions are what you'll need to use for the post-travel submittal.

For agency staff, let us know if you need any final numbers on cost or something for your internal process. We will be happy to provide it.

I hope we can stay in touch. We'd love to be a resource and a sounding board for your work in this area going forward. We know there are lots of voices in this space with lots of different points-of-view. That's good. We're just trying to do our part to ensure the pro-RFS/pro-renewable fuels view gets a hearing. And always remember: we're right – they're wrong! ☺

In the future, we hope to see you when we're in DC, at next year's Tour Alumni Reunion (date TBD), and anytime you happen to find yourself in Iowa. We also hope you found the Tour informative enough (and maybe a little fun) to share with potential attendees in the future.

Please contact me with any questions.

P.S. If you lost a set of 3 keys, we found a set in the luggage area under the bus. Just let me know.

Subject: Final Pre-Tour Information -- please review

Iowa Biofuels Tour Participants,

The 8th annual Biofuels: Science and Sustainability Tour is only a few days away. We look forward to seeing all of you on Monday!!

Attached to this e-mail are three items to look over prior to your arrival on August 15th. These items include (1) the final tour schedule, (2) Tour participants Bios/Photos, and (3) Iowa Renewable Fuels Association staff contact information.

PARTICIPANT BIOS/PHOTOS: We have a large group this year, with over 40 people spending time on our Biofuels Bus (yes, it is powered by B20). We hope this document provides a chance to jumpstart the process of putting faces with names. Also, if I have messed up any names (like spelling) or titles or anything else, please let me know and we can provide a corrected version in the Tour binders that you'll receive once you arrive. (Also, be sure to be ready to vote for your favorite Tour photo – the winner gets a one of a kind prize.)

ARRIVAL INFORMATION: Most of you will arrive Monday on the same flight from DC via Atlanta. You'll be met at baggage claim by IRFA Team Members TJ Page and Grant Menke and will take the bus to the hotel.

For those of you on other flights, you received a separate email with your transportation plans. Let me know if you did not receive those.

The rest of you are meeting us at the airport or hotel. Be prepared to be on the bus prior to 5:30 pm on Monday evening so the bus can roll out at that time. We have a big group and it takes a while to get everyone on the bus, so please don't wait until the last minute.

FLIGHT PROBLEMS: In the last few years it sure seems like I encounter more delays and cancelations when flying than I used to – so cross your fingers. But if something should happen, you have our contact info. Email and/or call us. We will try to help from this end. And we will adjust on the ground here to ensure you're met by someone whenever you land. (Someone might even let us know if the flights are taking off on time so we don't sit here and worry!)

DRESS COMFORTABLY: The dress code for this Tour is casual and comfortable. No dress clothes will be necessary. For example, blue jeans and a "polo shirt" have been the clothing of choice in the past.

Monday: We are going to the Iowa State Fair. And, yes, "our state fair is the best state fair in our state" (https://www.youtube.com/watch?v=VSKa29E4T7o). On this day you can wear shorts if you want. I still suggest closed toed shoes – we may be getting up close and personal with some large farm animals. If you insist on wearing flip-flops, then watch where you step!

Tuesday – Thursday: **You must wear closed-toed shoes and long pants.** We will be visiting biorefineries, farms, manufacturing facilities, labs, etc. If you do not have the proper attire, you will be forced to stay on the bus. The lawyers and insurance companies can be quite strict!

WEATHER UPDATE: I imagine Iowa's weather won't be a shock to you, as it is much like DC weather in August. Hot and muggy with occasionally beautiful days. As of now, the weather geniuses are predicting high temps in the mid to upper 80s. At night it will drop comfortably to the high 60s. Rain is not predicted. If this forecast holds then you picked a wonderful time to visit Iowa. However, normally the rule is heat and humidity with the chance of isolated thunderstorms most days. So it could be 85 and awesome. Or if the weather geniuses messed up (odds on that?) it could be 97 and spark a brief but fierce t-storm.

ETHICS APPROVALS: To our House and Senate guests, you should have received your official approval from the respective Ethics Committees. Normally at least one of the Committees doesn't get them out until about 4:59 pm today, so we seem to be ahead of the

curve. Please let me know ASAP if you have NOT received your approval letter.

We will be providing additional Tour background materials in a binder when you arrive. Please contact me anytime if you have questions prior to your arrival. I can be reached anytime on my cellphone at Ex. 6 - Personal Privacy. Otherwise, I look forward to seeing you all on the 15th!

Thanks,

Monte Shaw

Iowa Biofuels Tour Participants,

The 8th annual Biofuels: Science and Sustainability Tour is only a few days away. We look forward to seeing all of you on Monday!!

Attached to this e-mail are three items to look over prior to your arrival on August 15th. These items include (1) the final tour schedule, (2) Tour participants Bios/Photos, and (3) Iowa Renewable Fuels Association staff contact information.

PARTICIPANT BIOS/PHOTOS: We have a large group this year, with over 40 people spending time on our Biofuels Bus (yes, it is powered by B20). We hope this document provides a chance to jumpstart the process of putting faces with names. Also, if I have messed up any names (like spelling) or titles or anything else, please let me know and we can provide a corrected version in the Tour binders that you'll receive once you arrive. (Also, be sure to be ready to vote for your favorite Tour photo – the winner gets a one of a kind prize.)

ARRIVAL INFORMATION: Most of you will arrive Monday on the same flight from DC via Atlanta. You'll be met at baggage claim by IRFA Team Members TJ Page and Grant Menke and will take the bus to the hotel.

For those of you on other flights, you received a separate email with your transportation plans. Let me know if you did not receive those.

The rest of you are meeting us at the airport or hotel. Be prepared to be on the bus prior to 5:30 pm on Monday evening so the bus can roll out at that time. We have a big group and it takes a while to get everyone on the bus, so please don't wait until the last minute.

FLIGHT PROBLEMS: In the last few years it sure seems like I encounter more delays and cancelations when flying than I used to – so cross your fingers. But if something should happen, you have our contact info. Email and/or call us. We will try to help from this end. And we will adjust on the ground here to ensure you're met by someone whenever you land. (Someone might even let us know if the flights are taking off on time so we don't sit here and worry!)

DRESS COMFORTABLY: The dress code for this Tour is casual and comfortable. No dress clothes will be necessary. For example, blue jeans and a "polo shirt" have been the clothing of choice in the past.

Monday: We are going to the Iowa State Fair. And, yes, "our state fair is the best state fair in our state" (https://www.youtube.com/watch?v=VSKa29E4T7o). On this day you can wear shorts if you want. I still suggest closed toed shoes – we may be getting up close and personal with some large farm animals. If you insist on wearing flip-flops, then watch where you step!

Tuesday – Thursday: **You must wear closed-toed shoes and long pants.** We will be visiting biorefineries, farms, manufacturing facilities, labs, etc. If you do not have the proper attire, you will be forced to stay on the bus. The lawyers and insurance companies can be quite strict!

WEATHER UPDATE: I imagine Iowa's weather won't be a shock to you, as it is much like DC weather in August. Hot and muggy with occasionally beautiful days. As of now, the weather geniuses are predicting high temps in the mid to upper 80s. At night it will drop comfortably to the high 60s. Rain is not predicted. If this forecast holds then you picked a wonderful time to visit Iowa. However, normally the rule is heat and humidity with the chance of isolated thunderstorms most days. So it could be 85 and awesome. Or if the weather geniuses messed up (odds on that?) it could be 97 and spark a brief but fierce t-storm.

ETHICS APPROVALS: To our House and Senate guests, you should have received your official approval from the respective Ethics Committees. Normally at least one of the Committees doesn't get them out until about 4:59 pm today, so we seem to be ahead of the curve. Please let me know ASAP if you have NOT received your approval letter.

We will be providing additional Tour background materials in a binder when you arrive. Please contact me anytime if you have questions prior to your arrival. I can be reached anytime on my cellphone at Ex. 6 - Personal Privacy Otherwise, I look forward to seeing you all on the 15th!

Thanks,

Monte Shaw

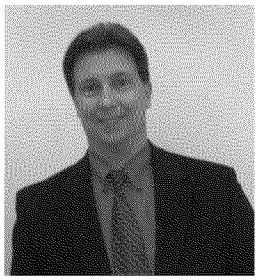
Sponsors of the Biofuels: Science & Sustainability Tour

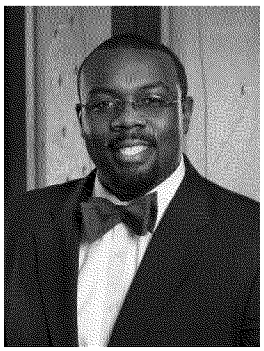
8th Annual Biofuels Science and Sustainability Tour

2016 Biofuels Tour Participant Bios



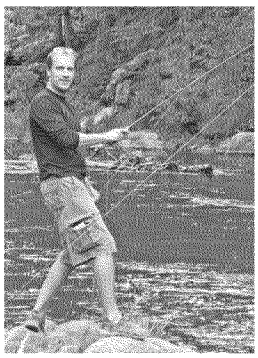
Paul Argyropoulos, Senior Policy Advisor
U.S. Environmental Protection Agency (EPA)

Mr. Argyropoulos is a Senior Policy Advisor in EPA's Office of Transportation & Air Quality. He is responsible for providing advice and analysis to the Office Director on a broad range of transportation program issues with a focus on fuels. He chaired EPA's intra agency work group for the national renewable fuels standard programs implemented under both the Energy Policy Act of 2005 and the Energy Independence and Security Act of 2007. Paul remains involved in all fuel program areas implemented and enforced by EPA.



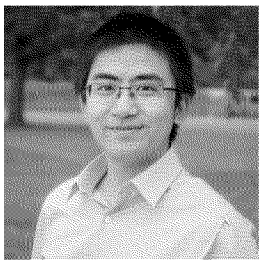
Trey Baker, Counsel
Rep. Bennie Thompson (Mississippi)

Trey Baker is Counsel for Congressman Bennie G. Thompson, who represents Trey's home district in Mississippi. Previously, Trey was a Career Consultant in the Office of Career Development and Opportunities at the University of Denver, Sturm College of Law where he was a member of the Public Sector team specializing in career opportunities in federal and state government agencies, public interest organizations, and non-profit organizations. From 2009-2011 Trey worked at Pryor Johnson Carney Karr Nixon, P.C., where he was an associate attorney in the litigation group and specialized in medical malpractice defense. In the public sector, Trey has served as legal counsel to Denver non-profits and worked as a program coordinator for a Mississippi youth service organization. Trey considers himself a versatile renaissance man and, thus, has myriad interests outside of work including dj'ing, writing, and shopping for bowties.



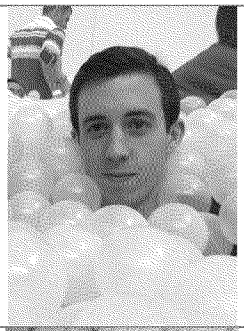
Scott Burgess, Program Examiner
Office of Management and Budget (OMB)

Scott Burgess is a Program Examiner with the Office of Management and Budget, whose responsibilities include providing oversight to the Environmental Protection Agency's air pollution and radiation programs. Scott also served with the Peace Corps as an Environmental Education Volunteer in Paraguay, where he promoted community-based environmental conservation through the local school system. He holds a Master of Public Policy (M.P.P) from the University of Michigan's Ford School of Public Policy and a Bachelor of Arts duel degree in Environmental Biology and Psychology from the University of Colorado at Boulder. Although he spends a good amount of time in the office, Scott is an outdoor enthusiast who enjoys skiing, SCUBA diving, hiking, camping, fishing and just about any other outdoor activity.



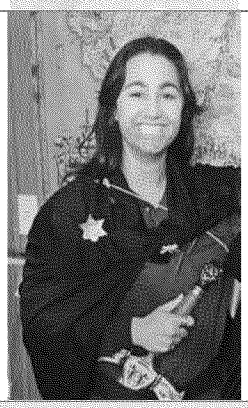
Hao Cai, Assistant Environmental Scientist
Argonne National Laboratory

Hao Cai is an environmental and energy systems analyst examining life-cycle energy and environmental impacts of the production and use of transportation fuels and vehicle technologies. Much of Cai's work is incorporated into Argonne's Greenhouse gases, Regulated Emissions, and Energy use in Transportation (GREET™) model, which has been used by EPA, CARB, and other agencies for fuel carbon intensity rule-making and has more than 29,000 users worldwide. In his spare time, Hao enjoys hiking and biking in natural reserves and stroller walking for outdoor fun.



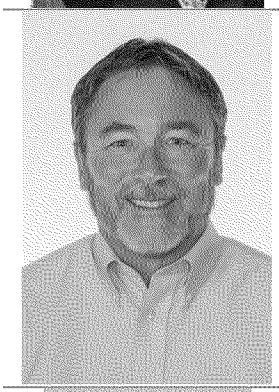
Connor Corcoran, Legislative Correspondent
Sen. Gary Peters (Michigan)

Connor Corcoran is a legislative correspondent in Senator Gary Peters' office. He grew up in Michigan and graduated from Michigan State University. Before working in the Senate, Mr. Corcoran worked at a contemporary art museum. Connor's Netflix viewing in the past week includes Stranger Things and The Great British Bake-Off.



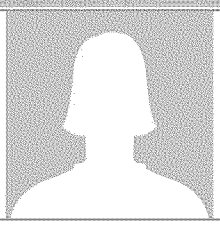
Michelle Corio, Legislative Correspondent
Sen. Mike Rounds (South Dakota)

Michelle Corio, a native South Dakotan, is a legislative correspondent in Senator Mike Rounds' office, where she gets to work on issues related to agriculture, energy and environment. She loves literature, rocket launches and Lord of the Rings—featured as her "Dream Theme Birthday Scheme of 2015" and depicted in her headshot.



Mark Davis, Center Director, Biosciences
National Renewable Energy Laboratory (NREL)

Dr. Mark Davis is the Director for the Biosciences Center at NREL. For the past five years, he has served as the Platform Program Manager for Thermochemical Processes and has directed research focused on developing pyrolysis and gasification processes to produce cost-effective fuels and products from biomass.



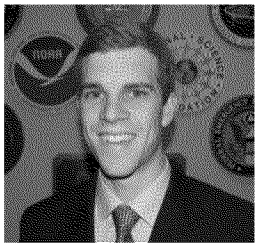
Jaimee Dong, Environmental Engineer
U.S. Environmental Protection Agency (EPA)

Jaimee Dong has nine years of experience in EPA working with fuels and fuel additives.

Christie Downey, Senior Legislative Assistant
Rep. David Young (Iowa)

Christie Downey serves as a Senior Legislative Assistant for Congressman David Young (IA-03), focusing on issues pertaining to agriculture, conservation, the environment, energy, commerce and small business, government reform, science and technology, trade, telecommunications, and veterans. Previously, she worked for Iowa Governor Terry Branstad and Iowa Senator Chuck Grassley. She is originally from Eldridge, Iowa, and attended the University of Iowa. She and her husband have one daughter and currently reside in Virginia.

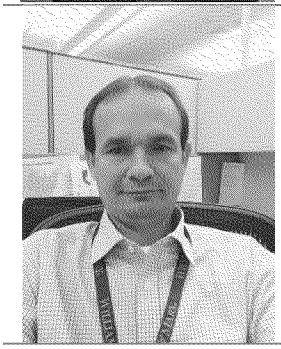
Joe Flarida, Professional Staff
House Committee on Science



Joe joined the Science Committee staff in December 2013 after completing his internship with the Committee over the summer and fall. After working as the Staff and Press Assistant and subsequently as the Press Secretary and Policy Assistant, Joe joined the Energy Subcommittee as a Professional Staff Member in 2015. His legislative portfolio includes the Department of Energy's research, development, demonstration, and commercialization activities. Joe graduated from The Ohio State University in 2012 with two degrees, Political Science (B.A.) and Public Affairs (B.A.). Joe is originally from Lima, Ohio. He currently lives with his wife Blake and his dog, Molly, in Alexandria, Virginia. Joe plays on two soccer teams in the area and loves to camp and backpack throughout the year. He visits Ohio often and is an avid Buckeye football fan.

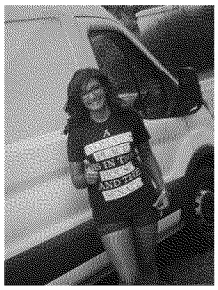
Staci Gatica, Environmental Protection Scientist
U.S. Environmental Protection Agency (EPA)

Hobbies: Yoga, Hiking, Chasing my 2-year old daughter, Trying to get enough sleep (□)



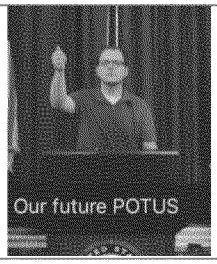
Kurt Gustafson, Environmental Scientist
U.S. Environmental Protection Agency (EPA)

Kurt Gustafson has been with EPA for 16 years working on fuels standard implementation and compliance issues.



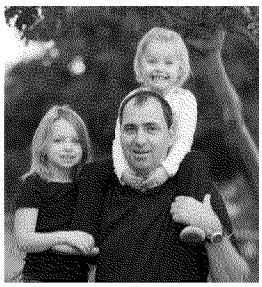
Lisa Harst, Legislative Assistant
Sen. Tom Cotton (Arkansas)

Lisa Harst is a Legislative Assistant for Senator Tom Cotton. After graduating in 2011 with a BA in vocal music from Arkansas Tech University, Harst then worked as a field representative for Sen. Cotton for nearly two years during his term as a congressman. This past spring, Harst graduated with a Master of Public Policy from the Texas A&M Bush School of Government and Public Service.



Andrew Healey, Legislative Aide
Sen. Joni Ernst (Iowa)

The Andrew Healey: Born in raised in the greatest country of them all, Texas. Have been with Senator Joni Ernst since her swearing in. Oversee the constituent database and drive the boss when she is in DC. Not a fan of long walks on the beach.

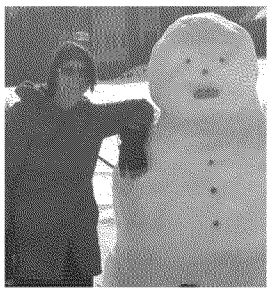


Kurt Kovarik, Legislative Assistant
Sen. Chuck Grassley (Iowa)

Mr. Kovarik has been a policy advisor to Senator Grassley since 2001. His legislative policy areas include energy, foreign affairs, federal budget, labor and small business issues. Mr. Kovarik has developed many renewable energy policies advocated by Senator Grassley. He received a Bachelor of Arts degree in Political Science from Luther College, in Decorah, Iowa, in 1997. He grew up on a cattle farm near Protivin, Iowa.

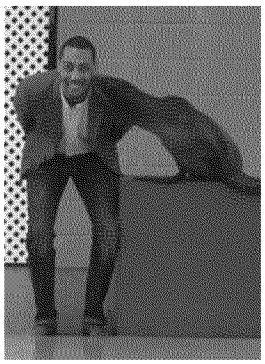
Alan Kwan, Transportation Analyst
U.S. Department of Energy (DOE)

Alan is a Transportation Analyst at the Department of Energy (DOE), where he provides tailored research and analysis products to DOE leadership pertaining to cost and environmental impacts of alternative fuel and vehicles. Originally from the San Francisco Bay Area, Alan's academic degrees are in environmental science and renewable energy, with research experience in indoor air quality, atmospheric chemistry, solar water heating, solar photovoltaics, and redox flow batteries. Outside of work, Alan enjoys hiking, theater, sporting events, and bar trivia nights in the DC area (none of which has led to an interesting photograph).



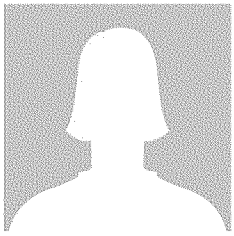
Mary Manners, Deputy Director, Office of Transportation & Air Quality
U.S. Environmental Protection Agency (EPA)

Ms. Manners has been with the U.S. Environmental Protection Agency for over 20 years. She currently serves as the Deputy Director for the Compliance Division within the EPA's Office of Transportation and Air Quality (OTAQ). In her current role, Mary shares leadership responsibility for overseeing the implementation of national emissions control programs for vehicles, engines, and fuels and manufacturers' compliance with program requirements. Prior to her current position, Mary supported the development of regulations and national policies for cleaner fuels. Ms. Manners obtained the Bachelor of Science degree in Chemical Engineering from the University of Michigan.



James Moody, Legislative Aide
Sen. Thad Cochran (Mississippi)

Hometown: Gulfport, MS
Favorite Meal: Fried Chicken, Cabbage, Candied Yams, Rice and Gravy, Cornbread, and Super Sweet Tea.
One sibling who is 12 years younger
Favorite Quotes, 2 by Dr. Martin Luther King Jr:
"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands in times of challenge and controversy."
"There comes a time when one must take a position that is neither safe nor politic nor popular, but he must take it because his conscience tells him it is right."

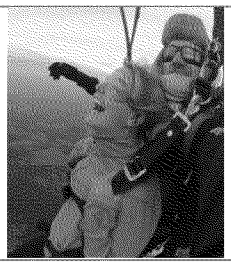


Ashley Osterkamp, Legislative Director
Rep. David Scott (Georgia)

Ashley Osterkamp is Legislative Director for Congressman David Scott. Previously she was Legislative Assistant focusing on Agriculture, land and water issues. Before her time in Congressman Scott's office she worked for a private agriculture company for 4 years, worked for a domestic violence non-profit, worked on a state-wide ballot issue campaign, managed a state senate race, worked on a congressional special election, and a congressional primary election.

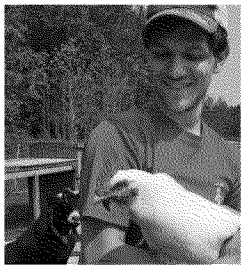
Scott Reber, Legislative Assistant
Rep. Mia Love (Utah)

Scott Reber has been on the hill for three years and have worked for Rep Lummis (WY-AL), Sen Crapo (ID), Rep Labrador (ID-01) and currently for Rep Mia Love (UT-04). I was born in Utah, and lived in Europe (9 years) and the Caribbean (2 years). I enjoy sports (my favorites are soccer and basketball), watching classic movies, board games, card games, traveling, video games and good cuisine.



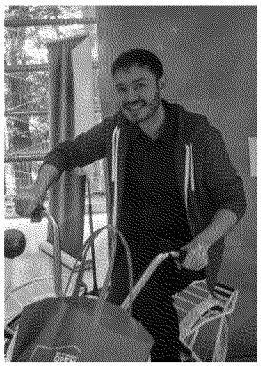
Kirby Richard, Legislative Correspondent
Rep. Rod Blum (Iowa)

Kirby has worked for the office of Representative Rod Blum (R-IA) since 2015. Previously, she worked for the office of Rep. Stephen Fincher (R-TN). Kirby is a native of Natchez, MS and a 2012 graduate of the University of Mississippi. In her spare time, she enjoys playing with her quirky dog, Eli.



Nathan Rider, Legislative Correspondent
Sen. Chris Coons (Delaware)

Nathan Rider is a Legislative Correspondent for Sen. Chris Coons (DE) covering Agriculture, Energy, Environment, and Transportation, and he maintains several small agricultural enterprises on the farmstead where he was raised in southern Delaware. Nathan studied agriculture at Dordt College in Sioux Center, IA, and received a Master's in International Agriculture and Rural Development at Cornell University in Ithaca, NY.

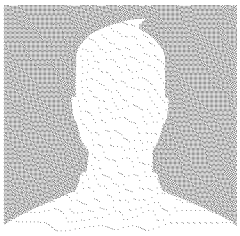


Roberto Sada, Legislative Assistant
Rep. Ruben Hinojosa (Texas)

Roberto serves as a Legislative Assistant for Representative Rubén Hinojosa (TX-15) covering Agriculture, Energy, Environment, Health, and Transportation. He has been with Hinojosa's office for four years. A resident of TX-15, Roberto first worked with the Congressman as a Field Representative in Edinburg, TX. He met regularly with constituents, handled casework, and managed special projects, including the rollout of the Patient Protection and Affordable Care Act in Deep South Texas. An avid gamer, singer, and awkward dancer, Roberto has a passion for food and agricultural biotechnology.

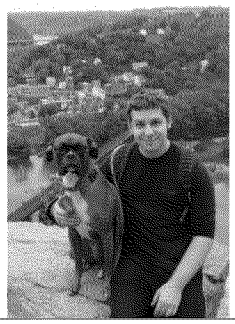
Anne Simmons, Senior Policy Advisor
House Committee on Agriculture

Anne Simmons is the Senior Policy Advisor for the House Agriculture Committee's Democratic staff. She also works on issues related to program crops, conservation, energy, credit and research for the Committee's Ranking Member, Collin Peterson of Minnesota's 7th District. Anne was raised on a corn, soybean, and livestock farm near Spencer, Iowa, and graduated from Cornell College in Mt. Vernon, IA.



Brian Skretny, Legislative Director
Rep. Eliot Engel (New York)

Brian A. Skretny serves as Democratic Professional Staff to the House Committee on Foreign Affairs & Legislative Director to Congressman Eliot Engel. Mr. Skretny was Policy Director at the American Clean Skies Foundation, and a litigation associate at the law firm Caplin & Drysdale Chtd. Mr. Skretny holds a BA in political science from SUNY Geneseo, a JD from Columbia Law School, and a Master of Laws from the Georgetown University Law Center.

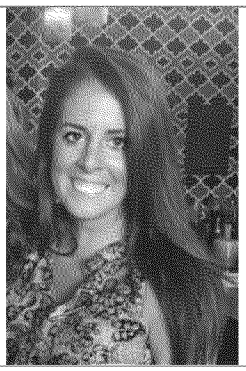


Aaron Sobel, Environmental Scientist
U.S. Environmental Protection Agency (EPA)

Aaron studies issues related to climate change, biofuels, and modeling for EPA's Office of Transportation & Air Quality. Prior to EPA, Aaron worked for ICF International, and the World Wildlife Fund on various climate change-related issues.

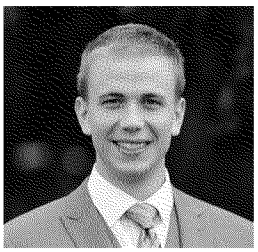
Richard Stern, Legislative Aide
Rep. Steve King (Iowa)

Richard has lived in three of the four corners of the US and has been on the Hill for about two years where he's handled Ag, Econ, and Science policies, as well as anything that requires numbers stuff. Richard's biggest goal is to live long enough to see Congress go through the regular appropriations process and have approval ratings that break 20%. Richard is excited to be here on the tour because he loves Iowa, and ethanol in all its many forms.



Claire Trokey, Legislative Assistant
Rep. Blaine Luetkemeyer (Missouri)

Claire Trokey has worked for Congressman Luetkemeyer for a little over two years. She became a Legislative Aide for the Congressman just over a year ago, and began handling agriculture issues at the beginning of 2016. Prior to moving to Washington, D.C., Claire attended college in her home state of Missouri.

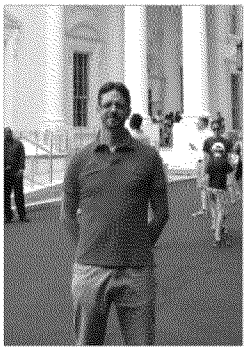


Kyle Varner, Policy Analyst
Senate Committee on Agriculture

Kyle Varner serves as a Policy Analyst for Ranking Member Debbie Stabenow on the U.S. Senate Committee on Agriculture, Nutrition, and Forestry, where he works on issues related to commodity programs, crop insurance, biofuels, farm credit, and livestock. During the 2014 Farm Bill process, Varner assisted with the rural development, research, and energy titles of the bill. Prior to joining the Committee, he earned his bachelor's degree in agriculture and natural resource policy from Michigan State University. Varner grew up on a family farm in Mid-Michigan where his dad and uncle raise corn, soybeans, wheat, beef cattle, hogs, and turkeys.

Kayt Wahlert, Program Analyst
U.S. Department of Energy (DOE)

Kayt Wahlert is a Management and Program Analyst working in the Office of Energy Efficiency and Renewable Energy at the U.S. Department of Energy. She handles legislative issues for the Transportation Pillar, which includes the Bioenergy, Vehicles, and Fuel Cell Technology Offices.



Chad Whiteman, Policy Analyst
Office of Management and Budget

Chad is a policy analyst for the White House Office of Information and Regulatory Affairs responsible for reviewing regulatory policies and advising White House decision makers on topics such as appliance energy efficiency, biofuels, motor vehicle emissions, and ozone depleting substances. Chad received a B.S. and M.S. in Civil and Environmental Engineering from West Virginia University. On the more fun side, he was a Peace Corps volunteer in a small village in Cote d'Ivoire where he learned to speak French and gained an appreciation for spicy food. More recently, he took a year sabbatical from work and traveled by motorcycle from Washington, D.C., to Alaska and then down to the southernmost tip of South America.

Irene Xiarchos, Economist
U.S. Department of Agriculture (USDA)

Irene M. Xiarchos works in the intersection of agriculture, rural development, energy and the environment. She earned her PhD in natural resource economics from West Virginia University. She was a visiting scholar at the Economic Research Service of USDA, served as manager of the BioPreferred program for the United States, and has taught economic and policy courses in West Virginia University and the Graduate School USA. In collaboration with the Counsel of Food, Agricultural and Resource Economics (CFARE) she is leading a series of symposia that explores the nuances and opportunities related to the links of energy with agriculture and rural development.

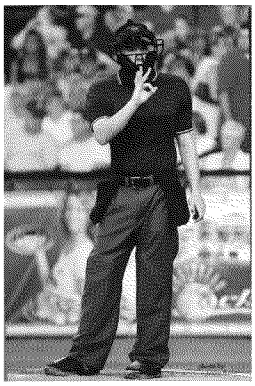
Landon Zinda, Legislative Counsel
Rep. Tom Emmer (Minnesota)

Landon Zinda is Legislative Counsel for Congressman Tom Emmer (R-MN). Landon is from the twin cities in Minnesota, and graduated undergrad from Gustavus Adolphus College and law school at American University. Prior to working for Congressman Emmer, Landon spent six years at The Heritage Foundation, working in a number of capacities related to government affairs. In college, Landon also interned for Senator Norm Coleman, Congressman Mark Kennedy, and Governor Tim Pawlenty. Landon primarily focuses on his interests in technology and judiciary issues, but also covers energy, environment, education, and health care.

Industry Participant Bios

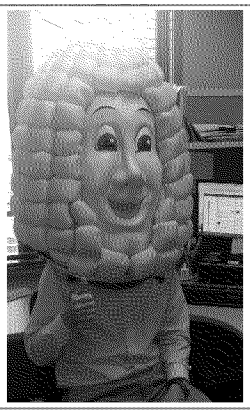
Monte Shaw, Executive Director
Iowa Renewable Fuels Association

Mr. Shaw joined the Iowa Renewable Fuels Association (IRFA) as Executive Director in 2005. Mr. Shaw is responsible for the management, membership, regulatory and policy agenda of the trade association. Prior to the IRFA, Mr. Shaw worked for the Renewable Fuels Association (RFA) in Washington, DC as Director of Communications for nearly six years. Mr. Shaw was raised on a corn and soybean farm just outside of the southwest Iowa town of Shenandoah. He received a Bachelor of Arts degree in Political Science from Simpson College in Indianola, Iowa. He currently resides in West Des Moines with his wife Tina, daughter Eden, son Max, and two ornery dogs. While Mr. Shaw loves history, he is not a Civil War reenactor.



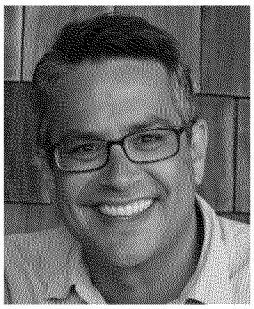
Grant Menke, Policy Director
Iowa Renewable Fuels Association

Grant Menke serves as Policy Director for the Iowa Renewable Fuels Association. In this role, he is primarily responsible for state policy development and advocacy. Prior to the IRFA, Menke worked for Senator Chuck Grassley on the U.S. Senate Finance Committee in Washington, DC, and umpired professionally for Minor League Baseball. He was raised on a corn and soybean farm just outside the northwest Iowa town of Calumet. Menke is a graduate of the University of Northern Iowa in Cedar Falls, Iowa. He currently resides in Ankeny, Iowa with his wife, Susie, and sons, J.J. (7), Luke (5) and Winn (2).



T.J. Page, Communications Director
Iowa Renewable Fuels Association

Mr. Page joined the Iowa Renewable Fuels Association (IRFA) as Communications Director in 2012, and is responsible for all communications activities associated with the IRFA, including media relations efforts, social media and website development, as well as the oversight of regulatory activities and several IRFA committees. Mr. Page was raised in the heart of Des Moines, growing up just minutes from downtown. He received a Bachelor of Science degree in Journalism and Mass Communications from Iowa State University. He currently lives in Des Moines, Iowa, with his wife, Rachel, and their "fur-child," Wilson the golden retriever.

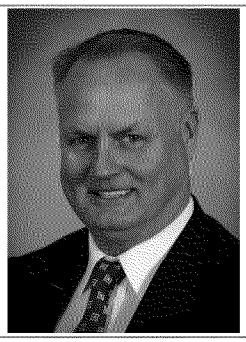


Ben Evans, Director of Public Affairs and Federal Communications
National Biodiesel Board

Part of NBB's federal affairs team in Washington, D.C., Ben oversees communications and policy programs involving NBB's federal initiatives. Ben joined NBB in 2011 after more than a decade as a professional reporter, most recently covering politics in the Washington Bureau of The Associated Press. Ben has a Bachelor's degree in Political Science from the College of Charleston and a Master's Degree in Journalism from Northwestern University.

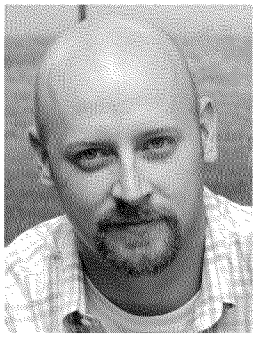
Kirsten Skala, Public Affairs and Communications Associate
National Biodiesel Board

As part of the Washington, D.C., team, her responsibilities include writing and distributing legislative-related materials, executing public affairs campaigns, drafting project proposals and budgets, record-keeping and research, and supporting our social media presence. She has also played a major role in expanding the National Biodiesel PAC (NBPAC) by collecting data and metrics on the PAC, giving educational presentations to NBB Membership, planning and assisting with fundraising events, and conducting membership and donor campaigns. Kirsten graduated from the University of Colorado, Boulder, where she studied international affairs and global media.



Tom Verry, Executive Director
National Biodiesel Foundation

Tom is Executive Director of the National Biodiesel Foundation, and serves as Director of Outreach and Development for the National Biodiesel Board (NBB). Tom brings over 22 years of experience in biodiesel marketing and market development, technology commercialization, and communications. Tom has been driving biodiesel powered vehicles since 1991. Tom is 1987 graduate of University of Illinois with a bachelor degree in Ag Economics. Tom lives in Jefferson City with his wife and three children.

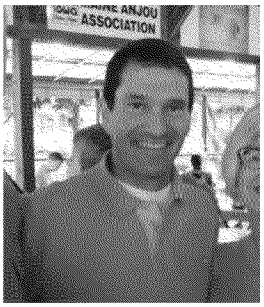


Geoff Cooper, Senior Vice President
Renewable Fuels Association

Geoff Cooper is the Renewable Fuels Association's Senior Vice President. In addition to overseeing market analysis and policy research, he provides technical guidance, regulatory support and strategic planning for the association and its members. Geoff also directs RFA programs related to sustainability and ethanol co-products. Prior to joining RFA, Geoff served as Director of Ethanol Programs for the National Corn Growers Association. A Wyoming native, Geoff graduated from Drake University in Des Moines, Iowa. He earned his master's degree at Webster University in St. Louis.

James Nygren, Legislative Affairs Officer
Farm Credit Services of America

James Nygren is the Legislative Affairs Director for Farm Credit Services of America, based in Omaha. Prior to his position with FCS America, he worked for state and federal elected officials covering Agriculture, Energy, Environment, Immigration and Trade issues. He received his B.S. and J.D. from the University of Nebraska and his M.P.S. at George Washington University.



Joe Hrdlicka, Executive Director
Iowa Biotechnology Association

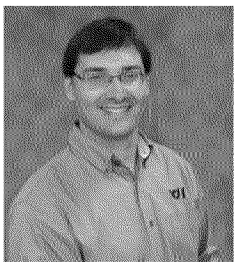
Since 2014, Joe Hrdlicka has been the executive director of the Iowa Biotechnology Association. He serves as chief executive of this 100-member organization of biotech companies where he is responsible for annual budgeting and direction of all operations including strategic planning, member communication, events and advocacy. Prior to that, he was Vice President, Public Affairs for the Iowa Communications Alliance. Hrdlicka grew up in St. Louis, but has lived in West Des Moines since 1995 with his wife and two sons.

Mark Palmer, Executive Director
Association of Nebraska Ethanol Producers

Mark Palmer is the Executive Director of the Association of Nebraska Ethanol Producers (ANEEP). Prior to coming to ANEEP he was the Senior Policy Advisor for the Assistant Democratic Leader, U.S. Senator Dick Durbin. Mr. Palmer also worked in the Office of the Secretary at the U.S. Department of Agriculture (USDA). Palmer earned his master's degree in government from The Johns Hopkins University and a bachelor's degree in political science, with a history minor, from Western Illinois University.

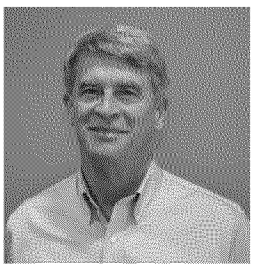
Shane Kinne, Director of Public Policy
Missouri Corn Growers Association

For the past five years Shane has represented Missouri corn farmers in the state and federal Capitol buildings, as well as various regulatory agencies. His role also involves working in the international trade policy arena and facilitating producer-to-buyer relations. Shane is a graduate of the University of Missouri with a degree in agricultural education. Raised on a farm in northwest Missouri, he and his wife own a small cow herd and remain directly involved in production agriculture.



Jeff Scharping, Director
Renew Kansas

Jeff is on the Renew Kansas Board of Directors, and serves as the Director of Government Affairs at ICM and works with Urban Air Initiative. Within ICM, he has held roles in Product Development and Sales, including Fiber Separation and Cellulosic Ethanol. ICM has designed and built 102 Ethanol Plants, and continues to increase ethanol production efficiencies. Jeff has a MBA from Wichita State University and a Mechanical Engineering degree from Kansas State University.



Dennis Hupe, Director of Field Services
Kansas Soybean Association

Dennis Hupe serves as the Director of Field Services for the Kansas Soybean Commission and the Kansas Soybean Association. In that role, he provides outreach and support in programs relating to soybean producers, association members, fuel distributors, first purchasers and school children education. Mr. Hupe received his undergraduate degree from Kansas University and resides in Perry with his wife and two children.

Ben Gentz
Chase Car Driver

Ben spent six years in the Washington, D.C. area as a Legislative Correspondent for Senator Grassley, and then as a tax consultant. He recently moved back to Iowa and is pursuing his MPA at Drake University.

Subject: Action Needed: Biofuels Tour Info and Action Items
Tour Agenda.V4.docx
TourLiabilityRelease.2016.pdf

Biofuels Tour Participants,

We're so glad you will be joining us for the 8th Annual Biofuels: Science and Sustainability Tour, which is now just 14 days away! Attached to this e-mail are two items to look over prior to your arrival on August 15th. These items include (1) an updated tour schedule, and (2) the tour liability release form.

ARRIVAL INFORMATION: For those participants with flights arriving in Des Moines on Monday at 4:19 pm, the Tour bus will be picking you up at the airport near the baggage claim. IRFA staff will meet you at baggage claim to lead you to the bus to transport you to the hotel. We will be in touch individually with those not on the main flight to arrange alternative transport – you will not need to arrange your own ground transportation.

DRESS COMFORTABLY: The dress code for this Tour is casual and comfortable. No dress clothes will be necessary. **One key dress-code requirement is closed-toed shoes on all days** as we will be visiting biorefineries, farms, manufacturing facilities, labs, etc. Fox example, blue jeans and a "polo shirt" have been the clothing of choice in the past. Shorts are acceptable on Monday for the State Fair, but long pants are required Tuesday through Thursday.

LIABILITY RELEASE FORM: PLEASE read, sign and return the Tour liability release (attached to this e-mail) by close of business Friday, August 5th. I hate these things, but our lawyers are very insistent this is necessary since we will be touring biorefineries, farms, manufacturing facilities, labs, etc. No signed release, no Tour. (The good news is that so far we've NOT lost or maimed anyone on the 7 prior Tours!)

BRIEF BIO AND HEADSHOT: Please send me a short bio and a photo by close of business Friday, August 5th. We have a large group this year and we want to share a little information about each person "on the bus" with all of the Tour participants. While a boring, official headshot is fine, consider sending a photo that tells folks a bit about you (you love to hike or fish or whatever). Just please make sure it's a photo that doesn't tell us TOO much about you. ☺

ETHICS APPROVALS: We have received a few calls from House and Senate Ethics about minor issues that are easily cleared up. This is very normal. If you have any questions from Ethics that we can assist with DO NOT hesitate to contact me. This happens every year and so far we've always got things worked out. And don't worry, they are notorious for issuing the "official" approval on about 4:50 pm the Friday prior to the Tour.

We will be providing additional Tour background materials in a binder when you arrive. Please contact me anytime if you have questions prior to your arrival. I can be reached anytime on my cellphone at Ex. 6 - Personal Privacy. Otherwise, I look forward to seeing you all on the 15th!

Thanks,

Monte Shaw
