Nancy – I see the official agenda – what is called the public agenda -- on our share drive, and have attached several to this email. Included are the agenda for Gina McCarthy in Boston, the ministerial in MX, and Lisa Jackson's second ministerial, in New Orleans (she also hosted in Denver, her first year). This is the public info, so it doesn't include private ministers only events.

I've not been able to find the ministers agendas, which includes the private events. Luis is looking into his trove of inherited files now to find examples of the ministers agenda now. I'll forward as soon as I can. The New Orleans info (all three PDFs) may be helpful, since the reception and at least field trip are listed.

Lincoln and colleagues – here are draft agendas for the 2015 and 2016 Council Sessions. US hosted the 2015 session (and MX hosted 2016). Will look for additional, older, agendas, from earlier council sessions, after our meeting at 10:30 today.

Sorry for the last minute request, but it would be helpful for us to have a few of the schedules of the prior CEC events that the previous Administrator's have hosted in the U.S.

Understood if we can't get this by the 10:30 meeting, please send whenever possible.

Thanks!
