Hello Zac,

Thanks for your message. I am out of state so please forgive my delayed response. I did talk with Ex. 6 - Personal Privacy and referred her to Mile for follow up regarding getting her well tested. I let her know that she can follow up with me further if needed.

I'll let you know about the follow up when I return. Thanks Zac!

Good evening Robert,

Great to see you at the meeting on Thursday. A lot was covered and it is nice to see momentum building moving forward.

I spoke with a constituent this evening named Ex. 6 - Personal Privacy who lives at Ex. 6 - Personal Privacy Ex. 6 - Personal Privacy She wanted to inquire about having her well tested. I remember Thursday evening that there was a particular individual for CFAC that could be contacted regarding this request. Would you happened to have his contact number?

Thanks for any help you can provide with this.

Best,

Zac
