Yes, but it sounds like I'll gain ten pounds!

- Okay Yeah Co., http://www.okayyeahco.com/
- Coffee Slingers (the Administrator loves this spot), http://www.coffeeslingers.com/
- Elemental, http://elementalcoffee.com/
- Cuppies and Joe, http://cuppiesandjoe.com/

This is making me think that since the Administrator loves coffee we should explore ways to share with our guests. Maybe send them home with grounds from a local coffee shop or bring in Coffee Slingers at some point to serve afternoon coffee. Just a thought.

AND the giant carrot cake.

Sarah - Cafe Kacao needs to be on the list as well.

Hello Sarah, Mark, Milan,

Attached are the itineraries and my cheat sheet of space/capacities to look for at various venues. I have printed copies of these for all of us but wanted to share now so we can consider how to fit our visit to Norman. Adding the visit to the ballpark in OKC means we would finish in OKC at 2:30. We could aim to arrive in Norman around 3:30 but that may limit our time to complete visits. Parhaps we can visit Norman on Friday morning. We can consider this tomorrow as Taylor has not set up appointments in Norma until we confirm the sites we want to see.

Good night.
