Morgan,

Good afternoon to you. I am following up on a voicemail I left you just now regarding an item that I look forward to discussing with you. We are very excited and hopeful to bring the Commission for Environmental Cooperation (CEC) to OKC next year. Before we started making contact with venues, etc., we wanted to reach out to the CVB. If you would be so kind, please give me a call as I'd be glad to further explain and would look forward to exploring options for our agenda.

Hope you are well and look forward to discussing.

Warm regards,
