Hello Jodi and Richard,

Attached are the documents with my changes under track changes. Changes include project name, end date and a yes on reports for the QARF. I am printing the QARF with track changes accepted and will sign and get in the mail to you. Can you provide me with a mailing address and who should get this?

Thanks,
Mike

Jodi,

Yeah, I can do that.

Mike,

When you're done reviewing the SOW and QARF, please be sure to include me on the email back to Jodi. Thx.

Richard,

Sorry I forgot to add you to the below email. Mike hadn't finished doing the QARF form and reviewing the SOW, so once we get this paperwork back from him, can you facilitate the process of getting it through QA? We originally had a technical assistance work assignment open with Columbia Falls but have since changed it to RI/FS OS so we need to open up a new work assignment. Thanks.

Hi Mike,

I did some editorial changes adding the QA stuff. Can you verify the correct name of the site? I was on a call with Joe today and I wanted to make sure the name of the site is correct. I will also need the completed QARF form and you need to sign it and mail me the original. QA wants the original before they will review this. Thanks.

Here is the SOW and IGCE for the Columbia Falls Aluminum site. Let me know what you think?

Thanks
