Sorry I couldn't be more help. SEMS Reference Desk handles everything to do with the SPPs now. They also have a phone number if you'd rather just call them.

I have been tasked by OSRTI/IMB to send this information/request and receive your replies. Please contact the SEMS Reference Desk directly at (866)215-3736, by email at SEMS_ReferenceDesk@epa.gov or William Bushee at (703)603-8963 if you have any questions or comments.

I just tried a few more with the same result. Must be something on our end. I'll give the ReferenceDesk a holler if it continues. Thanks for your help Bill.

Hmm, I'm able to access both without error. If you've been sitting on one of the pages for a long time something might have timed out. Maybe close your browser and try again. If it persists, send your complaint, perhaps with a screen capture of the error, to SEMS ReferenceDesk (SEMS_ReferenceDesk@epa.gov).

Getting a colorful error message when I try to access Butte and CFAC webpage. May be the same for all. Big blue circle with message: An error occurred while executing the application. Any insight?
