All,

The CFAC PR is approved. Embargo until release time as indicated on the tick-tock (estimated at 1105 MST).

V/r

Andrew

Subject: final CFAC NPL release

Final attached, let me know if you notice anything that needs to be addressed. The HQ release is a little funky this year, I did not see much useful context for addition here. Will transmit this once I see that HQ has gone, should take 30 minutes or so following my issuing to generate newsroom web links.
