Why don't we speak separately to exchange thoughts about the visit first.
Would sometime later this week work?

Sure. That works for me.
I know that we did not have you on the call with last week. If you would like to set up something for me to fill you in, I would be happy to oblige.
Or, we can wait until the next time we set up a call with Embassy Rome as well.

Hi

I wanted to let you know that I will be in Rome in mid-April to advance EPA Administrator Pruitt's mission to Italy. If you are available, I wonder if you would have time to spare on April 17th to go over any issues for a visit to the Holy See. I imagine that is going to have me quite busy on April 18-19.

Let me know if this would work for you.

Best regards, Mark

Thanks

I will be in Montreal on May 4th for the CEC and hosting the Canadian Bilateral on May 5th in Washington so those dates are out.
It looks like we would need to shoot for 18-19. If you have details on the EMM Marine Litter W/S let me know and we will see if it is appropriate to extend.

Hi team EPA,

Fede and I have DOE visitors now at an expected marathon meeting into the evening, so we won't be very responsive, but here are our windows of time (between other ministerials, NASA visits, Space Apps, etc.:

4/18-19 (20 and 21 is the EMM Marine Litter W/S, perhaps you could stay for that Mark– or will you be coming out Hodaya?)

The Environment Communique meeting is in Siena May 3. I'm going to stay over to do an event on *A Plastic Ocean* at Siena University May 2. The Italians want to host the EMM communique meeting May 3 in Siena, which I presume would also be you, Hodayah?

I would be back in Rome for an advance May 4 and 5. From May 8 on, Ex. 6 - Personal Privacy will be working on credentials for G7 in Sicily May 26-27.

What works for your team?

Thanks, Ex. 6 - Personal Privacy
