Dear President Panzani,

Thank you for meeting with us today. It was delightful to meet you and we very much look forward to the roundtable. As promised, I will give you more context when EPA gives us their expectations of this meeting and biographies.

We look forward to seeing you again with Administrator Pruitt's advance team on Wed. May 31 at 1500, and with Administrator Pruitt and his team on Friday, June 9 at 1200 on the topic of "Rule of Law as it Applies to the Environment."

I found this helpful document on the internet about Italy's environmental laws from pages 82-93, published by Law Business Research Ltd, London, which you can share with your colleagues.

Respectfully, Ex. 6 - Personal Privacy
