Ex. 6 - Personal Privacy -- the only change I have is regarding the 4PM tour on Thursday, the request indicates that they should expect the motorcade to arrive at 4PM but with the tour taking place at that time, the motorcade will arrive at 345.

Thank you.

Hi all, please find attached our updated diplomatic note for Vatican access. Millan, if you could double check the names for the meeting and passenger manifests, that would be wonderful.

Hi all, please find attached our draft diplomatic note for vehicle access to the Vatican. Just waiting on vehicle information and the passenger manifests to submit to Vatican protocol. The Vatican gendarmerie will then confirm with us the entry/exits and advise if any changes are needed. I've also included a handy reference map on locations of Vatican entrances.

I included mention of the Thursday 4pm Vatican library tour and requested that the motorcade enter through the Sant'Anna gate for drop off at the Belvedere courtyard, but did not mention the 5pm Scavi tour, as Maria said that her people will meet the Administrator at the Residenza Paolo VI Hotel at 4:50pm and the group will enter the Vatican on foot.

Ex. 6 - Personal Privacy, let me know when you have final details on vehicles/passengers. Thanks!

The Gendarmes have just informed me that your office should contact directly the Gendarmes' Command to inform them of the date, time, and purpose (e.g. Mass at St. Peter's) that SP plans to enter the Vatican City State. The direct email address is info@gendarmeria.va

Also, please do send over the car info/license plate info so he can arrange the drop off location for the other two tours.... Thanks!

Maria,

Thank you so much for your time. Looping in the other folks who were on the call this afternoon and who may be able to answer a couple of your questions.

I will get you the attendee list for each event asap.

It was nice to speak with you and your team this AM.

To confirm, SP can't attend the 830am mass on Friday but some staff will attend. Can you send me the updated list of attendees? Will the staff meet LL at the hotel and drive over with him or do I need to clear some new staff members at the gate? I will need to know this ASAP.

Can you please confirm the names and numbers of everyone attending the lunches, tours and dinners?

Finally, my contact asked for car info/license plate info so he can arrange the drop off location. Can you send me the details? They will send us the locations once we get the details over to them.

Thanks

Maria

Maria,

On the ground in Rome with Emabassy Holy See and the

Administrator's security team. They have a few questions, specifically about his movements at the Vatican. Do you have time to hop on a call here in the next couple hours?

Thank you,

Millan
