FYI. We are now incurring cancellation charges for each change made by EPA travelers to Rome.

Mark , I just got the email from the hotel Baglioni in Rome regarding the cancellation fees.

Unfortunately with have cancelled a total of 44 room nights . 10 room nights were cancelled without any charge as per "cancellation policy" while of the remaining 34 the hotel will charge only 17 (now 18 with this further cancellation). Please let me know to whom they should make the charge as there will be just 13 people in Rome.

Not much changes for Bologna so I hope there will be no penalties there. Will let you know

Please let me know urgently

Many thanks

As usual, we have a change. It now appears that Ex. 7(c) will have to go from Rome to Bologna on June 9th rather than June 10th.

So, we will need to shorten his stay in Rome by one day, and get him a hotel at the Best Western one day earlier.

Sorry for the inconvenience.

Mark, I will need to depart Rome / skip ahead to Bologna on June 9 rather than the 10th. I know I said otherwise yesterday…

This arrangement is now definite.

Did I mention that you have patience and tolerance surpassing that of a Buddhist Monk?
