Subject: Pre-publication version of signed LA RH SIP notice

Hi folks,

Once the LA RH SIP notice is signed tomorrow, we will need to prepare a pre-publication version with the disclaimer to send to the Louisiana AG's office and the enviros. With respect to the Louisiana AG's office, it sounds like they are willing to voluntarily dismiss their old challenge to EPA's partial SIP disapproval once the SIP approval has been finalized. They would like to see the notice before they file their next status report with the Fifth Circuit next week. With respect to the enviros, we need to demonstrate that we met our CD obligation to sign the notice by December 15. Please send the pre-publication version to Jessica O'Donnell and Sue Chen at DOJ, cc'd, who will handle distributing the document to the parties. I will be on annual leave starting next week until January 3. Thanks!

Matt
