Tanya,

I can't do next week for the comments, how about the 4th of December? I am currently swamped for the next three weeks.

Bill

Hi Bill,
I just received the USACE QAPP for oversight of the Fall 2014 sampling at the Rolling Knolls site. This document did slip my mind and I apologize for the short notice. If possible, can you let me know if you can review and have comments by next week.
Thanks,
Tanya
