**Subject:** Follow up with Lou Karagias re: DEP issue for property of current Ringwood recycling center

Frank and Natalie – I would like to follow up separately with Lou Karagias on the DEP's issue related to the future use of the property of the current Ringwood recycling center. Would you please provide his full contact information? I had a prior matter with him a couple of years ago and he was a DAG with Division of Law but I noticed his email on your recent distribution shows an Office of Attorney General email address instead and just wanted to make sure I have

his current contact information correct. Thank you, Wanda
