SUBJECT: FREEDOM OF INFORMATION ACT REQUEST DON-NAVY-2019-007808

Dear Mr. Norton:

This is a final response to your 7 June 2019 FOIA Request in which you requested, "any records that pertain to a vintage sniper rifle system that might have been in Crane, I'm guessing up to about the 1990's. Its title is: NSN 1005-00-674-1430, Rifle, Caliber .30, M1C Garand Sniper." You were assigned local case file number 2019-F-13.

We conducted a thorough search of NSWC Crane's files, specifically those located in Small Arms (JXNP). Knowledgeable personnel who oversee and specialize in archived weapons records conducted an extensive search of their files and determined that there were no responsive records pertaining to this request.

If you believe that we did not conduct an adequate search, you may file an administrative appeal. If you decide to file an appeal, you may appeal the matter to:

Department of Navy
Office of General Counsel
Attn: FOIA Appeals
1000 Navy Pentagon, Room 5A532
Washington, DC 20350-1000

Your appeal must be postmarked no later than 90-calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe the search was inadequate. We recommend that your appeal and its envelope both bear the notation "Freedom of Information Act Appeal." In addition, you have the right to seek assistance and/or dispute resolution services from the Department of the Navy FOIA Public Liaison,
