Joe – Although the Borough is making this same request, as we discussed on the Ringwood conference call this afternoon, please follow up with the Ringwood CAG and request the following documents which were used and/or referenced during the June 19, 2017 Ringwood CAG meeting held in Tuxedo, New York:

1. Sign in sheet from the meeting

2. Technical Advisor's memo to the Ringwood CAG evaluating the Cornerstone February, 2017 Report

3. Power Point Presentation by Edison Wetlands Association

4. Letter from EWA to North Jersey District Water Supply Commission requesting their presence at the June 19, 2017 Ringwood CAG meeting to discuss the Jacobs Report

5. All laboratory data/analysis, including Quality Assurance/Quality Control, Chain of Custody documentation and raw analytical datasheets of sampling EWA conducted of the seeps in and around PMP on or about June 15, 2017, including photos shown during CAG meeting (i.e., "pipe" which was discharging water at 5-6 gpm according to Shannon Lisa of EWA on the one side of PMP)

When you receive the information, please provide copies to those who were on our call. Thank you for your assistance. Wanda
