Hello again everyone.

Our IT folks have been working on the problem, and about 11:20 this AM you should have received another version of the download link. Ken Petrone confirmed that the link worked for him.

Would you please try.

Thanks and again, sorry for the inconvenience.

Subject: Ringwood, February 2017 Data Report

Good morning everyone.

Based on messages from Joe and Ken, it appears there are problems with the link for the February 2017 data report.

I have tried resending the file, and there are problems with our file transfer program, which I will need to get sorted out.

Will try to resend the report as soon as possible.

Sorry for any inconvenience.
