Can we get a explanation as to why Dr Dufur cannot provide us with a person to act on his behalf like he stated?

Chief Mann.

Dear CAG Members:

I just wanted to remind everyone as stated previously neither Dr. deFur or the EWA can make the meeting. Jeff Tittel has been selected by you the represent by you to provide technical support for the CAG as he is an expert in everything environment, policy and regulatory.

Please video and take notes and we will try to address any technical issues that come up. Thanks to Robin and Judy for volunteering to step up and facilitate.

Respectfully,

(Note for Pat Seppi at the end)

Hi Jeff,

It appears the Ringwood Library has agreed to allow us to have our meeting at the library!

Please let me know how I can help get the insurance certificate from Sierra Club. Thank you so very much for offering this critical support to our public meetings.

Just as aside, the attorney did not seem (I could be wrong) how to add an additional insured onto a certificate for a limited purpose/event.

If you want to reduce the coverage (if it is too high), let me know and I'll see what I can do. I would imagine your coverage might be this high

anyway. When he got a little confused on the phone yesterday, he said he would call his broker and find out how to do it; so these terms are likely dictated by the broker.

It's a bit surprising they have asked for the Borough to be an additional insured as when the CAG used Borough Hall for years, I do not believe the CAG was required to post insurance. But we should likely let it go for now if that is ok with you. We will have to work on a more global solution in the coming weeks.

P.S. They have not asked me for the $50.00.

To Pat Seppi, please make sure Ford, the Borough, the EPA, and the ATSDR is in attendance.
