Subject: June 19 meeting

Shannon,

Regretfully, the EPA will not be able to attend the meeting scheduled for June 19, 2017, but we will be available to participate in the next regularly scheduled CAG meeting on July 13 at the Ringwood Library. We were on board to attend the June 8 meeting and had notified DEP, ATSDR and Ford of that date. We will let DEP, ATSDR and Ford know if the meeting on July 13 is still a go.

Thank you,

Pat
