Subject: EPA letter in question from Tony Davis, Arizona Daily Star
DOC011117.pdf

Caroline,

I have attached the April 14, 2015 letter from EPA to the Corps that I was referencing
in my earlier email seeking any responses to that letter from ADEQ. I just scanned it
into the computer and am sending it along, in hopes that will make it easier for you to find any followup correspondence.

Sincerely,

Tony Davis
