A Unique Opportunity to Visit a Strategic U.S. Energy Asset – LESS THAN 3 WEEKS AWAY!!

YOU AND YOUR COLLEAGUES ARE INVITED TO ATTEND AN OPEN HOUSE AT ENERGY FUELS' WHITE MESA MILL – THE ONLY CONVENTIONAL URANIUM PRODUCTION FACILITY IN THE U.S.

AVAILABLE DATES FOR YOU TO ATTEND THE OPEN HOUSE:

- Wednesday, September 20, 2017 (10 am – 4 pm) or;
- Thursday, September 21, 2017 (10 am – 4 pm)

MEET OUR TEAM OF EXPERIENCED & HIGHLY-TRAINED PROFESSIONALS; ENJOY EXHIBITS, TALKS, MILL TOURS, & BBQ; LEARN ABOUT:

- Modern Uranium Mining & Processing
- Environmental Monitoring & Protection
- Human Health & Worker Safety
- The Strategic Importance of our Domestic Uranium Industry
- Improving Air Quality & Addressing Climate Change through Nuclear Energy
- How the White Mesa Mill Can Help Clean-up Former Uranium Sites in the Southwest U.S.

If you haven't already done so, **please RSVP** via email to **WMMOpenHouse@energyfuels.com** by **September 12, 2017** indicating which day you would like to attend and the name(s) of anyone you plan to bring. So far, we are receiving strong interest in this unique event – local accommodations may become scarce!

Energy Fuels – based in Lakewood, Colorado (near Denver) – expects to be the largest producer of uranium in the U.S. in 2017, and we plan to be a major producer of U.S. uranium for many years to come.

We hope you can join us and learn more about America's essential domestic uranium industry.

Mark Chalmers
President and COO
