SAVE THE DATE!

COME VISIT AMERICA'S ONLY OPERATING CONVENTIONAL URANIUM MILL

Energy Fuels Inc. is hosting an Open House at our **WHITE MESA MILL** on **Wednesday, September 20th** and **Thursday, September 21st, 2017** – and we hope you can join us.

MEET OUR TEAM OF EXPERIENCED & HIGHLY-TRAINED PROFESSIONALS

ENJOY EXHIBITS, MILL TOURS & BBQ

LEARN ABOUT:

- Modern Uranium Mining & Processing
- Environmental Monitoring & Protection
- Human Health & Worker Safety
- The Strategic Importance of our Domestic Uranium Industry
- Improving Air Quality & Addressing Climate Change through Nuclear Energy
- How the White Mesa Mill Can Help Cleanup Former Uranium Sites in the Southwest U.S.

For planning purposes, we request a preliminary indication of whether you – or others in your office – may be able to attend, which of the above dates you prefer, and how many might attend. A response via email to WMMOpenHouse@energyfuels.com by **August 11, 2017** would be greatly appreciated. We will be sending out formal invitations later in August with further details.

The White Mesa Mill is located near Blanding, Utah with regular commercial flights available into Cortez, CO (1.5 hour drive to Blanding), Moab, UT (2 hour drive), Durango, CO (2.25 hour drive), or Grand Junction, CO (3 hour drive). Nearby accommodations are available in Blanding, Monticello, and Bluff, Utah.

Finally, if you haven't visited spectacularly scenic Southeastern Utah in the Fall, here's your chance!

We hope you can join us and learn more about America's essential domestic uranium production industry.
