Subject: <EXTERNAL> Final Dates for Technical Workgroup Meeting
Importance: High

Good Morning Colleagues,

Allow me to begin by thanking each of you for being so responsive regarding my need to quickly schedule a workgroup meeting with almost no advance notice. Also, I owe Tom Elkins very special appreciation for working his magic on the logistics.

Because of your willingness to be flexible, we were able to find dates on which all members can attend! Our meeting will begin after lunch on Tuesday, April 24th, and wrap up before lunch on Wednesday, April 25th. Please move forward with making your reservations at the Cherokee Nation Resort in West Siloam Springs, OK, for the night of April 24, 2018. **[Tom – please let us know if we need to make any specific reference when booking reservations.]**

We will make every effort to provide a specific agenda in advance of the meeting.

Taim and I will be driving from Dallas and we plan to leave at 7:00 a.m. That said we should be able to start the meeting at 1:00 p.m.

While I cannot yet confirm, it is possible we may be joined for part of the meeting by another EPA colleague whom some of you may not have met. I'm keeping my fingers crossed.

Best Regards,
richard
